

# Tiny Adventure Checklist

- Pick a Tiny Adventure location (it can be close to home, or even at home!).
  - Set a date and time a little in the future for your adventure (enjoy the anticipation).
  - Pack a bag of provisions.
  - Head off on your adventure!
- Record your Tiny Adventure in some way.

Not sure where to go for your Tiny Adventure? Grab a piece of paper, set a timer for three minutes and see how many ideas you can brainstorm. When the timer rings, pick one idea at random.
